Dear Wardens and Vestry

After much prayer and discernment over these many months, I write this day to inform you that I am resigning as Rector of Church of the Redeemer, effective May 26, 2022. I have been in communication with Bishop Hunter who is aware of this decision.

While I have no doubt that it was God's will for me to serve Redeemer, I now believe that God is calling me to a new season.

You will remain in my prayers; I hope you will do the same for me and Susan.

Sincerely

The Rev. Canon Jay Greener
